

PERFORMANCE PROMOTIONS TUFF TRUCK COMPETITION

The Tuff Truck track will consist of different types of obstacles designed to test the limits of both vehicle and driver. Fastest time emerges victorious but a winner is anyone who doesn't have their vehicle towed off the course.

TUFF TRUCK RULES AND REGULATIONS

The Event Director has the authority to make decisions that include every facet of any kind in connection with the track, conduct of the race, competition, behavior of the contestants and shall include the right to suspend, bar, expel, or disqualify from the meet without liability of any kind or nature.

ELIGIBILITY OF CONTESTANT AND VEHICLE OPERATION

1. All drivers must be at least 18 years of age with a valid driver's license. Drivers 16 years of age with a valid driver's license may be eligible for outdoor shows only; at the discretion of officials; with a signed release from parent or guardian.
2. All contestants and pit crew members must be clean, neatly and professional attired at all times when appearing in public. The show is slated to look as professional as possible. Your appearance should reflect this image. A driving suit, coverall or matching long sleeve shirt and pants is recommended. Today with all the possibilities of accessory shops, stitching companies, work clothing stores, etc., there is no excuse for an unsatisfactory appearance. All these items can be acquired very economically.
3. PERFORMANCE PROMOTIONS LTD. reserves the right to request alcohol or drug tests to be done on any participant.
4. Driver's meetings will be held prior to each and every show unless otherwise informed by the PERFORMANCE PROMOTIONS LTD. official. During the meeting, any rules or special instructions will be given. Failure to attend a driver's meeting could result in that individual/vehicle not being allowed to compete at the discretion of the PERFORMANCE PROMOTIONS LTD. track official. Starting positions will be drawn at registration, driver's meeting or based on previous night's finish.

OPERATION OF CONTEST

1. Contest will be governed by the performance Promotions Ltd. Director with all decisions final.
2. Competition vehicles must be operated in a safe manner at all times.
3. The appearance of your vehicle is up to you. You are not required to paint it, although several people are doing just that. Lettering, graphics, decals, etc. are up to you. However, pictures, wording, etc. should not be offensive and will not be tolerated. "Cute" nicknames, slogans, artwork, etc. can be clever, but please do not let your entry become a political statement for any cause whatsoever. This is a motorsport show, we need all the help and publicity we can get as well. Let's keep it that way.
4. If any driver of his/her crew member is determined to be under the influence of an intoxicating agent of any kind, his/her vehicle will not compete for the duration of the event. Any driver or pit crew member found on or around the track pit area with an intoxicant will forfeit winnings and points from that event, and will be suspended indefinitely.
5. All contestants are to comply with the local fire marshal's rules and regulations. Failure to do so will be grounds for disqualification and removal of the contestant and his/her vehicle from the premises.
6. Security of any vehicle or associated items, including but not limited to: racers, trailers and haulers will be the sole responsibility of their owners and in no way will the promoter or the arena be held accountable for any accident or theft.
7. Use of profanity and threats by any contestant or crew member to any official, technical inspector, sponsor or other contestant, will subject all crew members and vehicle to be removed from the event.
8. A driver may not start his/her run until he/she has been given a green flag or clear signal to start by the track official or that run will be disqualified.
9. The decision of the PERFORMANCE PROMOTIONS LTD. official on any point in question is final. The driver of the vehicle in question is the only individual allowed to address a dispute with an official in regard to a decision. Questioning of a track official by a pit crew member, car owner, spouse, child or other individual associated with the racer in any way could result in the disqualification of that racer for not less than the remainder of the weekend.
10. The event director has the right to stop and disqualify any vehicle not operated in a safe manner.

11. Vehicles must stay on the designated racing course. Straying off of the course during a run could constitute a time penalty or disqualification. Vehicles must completely cross each obstacle.
12. Test runs may not be attempted at any time either around the course, on the arena floor or in the pit area unless requested and approved by a PERFORMANCE PROMOTIONS LTD. official. Permission from an official must be obtained prior to test runs for any other location of the facility grounds.
13. Technical Inspector reserves the right to question driver with regards to vehicle before, during and after the event.
14. Approval of an entrant's vehicle by the Technical Inspector shall mean only that the vehicle is approved for participation in the event and shall not construed in any way to mean that the inspected vehicle is guaranteed mechanically sound. Be it further declared that the Technical Inspector(s) and/or event sponsor shall not be liable for any mechanical failure of said vehicle nor any accident or losses resulting from same, to spectators or participants.
15. A predetermined course will be laid out for all participants to complete. At no time will the course be modified unless it is deemed necessary by the event director in the interest of safety.
16. Knocking down ANY designated course markers will result in a 5 second penalty. Straying off the course may result in a 20 second penalty or disqualification.
17. Vehicles must cross each obstacle, and all runs must be made in a forward motion.
18. Vehicles hitting the facility, other vehicles or items not deemed part of the performance area could result in disqualification.
19. Reruns will not be allowed unless failure to complete the course is directly related to a situation caused by a track official or course design. A run will be official once a vehicle has broken the starting line plane.
20. There may be a disqualification line after the finish line. Any vehicle crossing over this line will be disqualified. All vehicles must come to a complete stop in the shut down area and remain stopped until signaled to leave. Failure to stop will be a disqualification.
21. Only one driver/truck combination per performance is allowed. Drivers may change vehicles from show to show, but not in the middle of a show.
22. Should a vehicle require assistance during a run, competitor can finish run on foot to receive a qualifying time.
23. Vehicles with permanent glass must have side windows rolled down completely during competition. Window nets are highly recommended.

24. All objects must be securely attached to vehicle. Any loose object thrown or dropped from vehicle during a run could result in disqualification.

GENERAL SAFETY

1. No passengers allowed during competition, unless vehicle is equipped with full roll cage, 2 racing seats and 2 sets of 4 or 5 point harnesses, and then only at the discretion of the Performance Promotions Ltd officials.

2. No loose objects allowed inside vehicle during competition.

3. A driver, crew member or qualified person must be seated behind the steering wheel and in control of the vehicle at all times when the vehicle's engine is running while on the premises, including the pit area as well as on the track.

4. No one under the age of 15 will be allowed on the floor while the contest is going on.

5. A speed limit of 5 MPH must be maintained in all non-competition areas.

6. Disposal of all oil/fuel related products must be done in an environmentally safe manner.

7. Should your safety harness fall off during a race, it will be grounds for immediate disqualification.

8. All Tuff Trucks will go through a technical inspection conducted by a PERFORMANCE PROMOTIONS LTD. official prior to the event, after the driver has registered.

PROTECTIVE CLOTHING

1. Neck collars/braces are highly recommended.

2. Helmets must be approved by the Snell Memorial foundation, with a 1975 or newer Snell sticker attached, or DOT Federal Standard #218. Straps must have D-rings, no velcro or snaps allowed. It is highly recommended that helmets are full coverage or have a full face shield.

TUFF TRUCK RULES

1. All competing vehicles will have competitor numbers clearly displayed.
2. All vehicles must have at least two(2) heavy duty tow hooks: one attached to the front of the vehicle and one attached to the rear of the vehicle.
3. All open vehicles must be equipped with side netting or arm restraints when the hand can protrude outside the cage.
4. All Tuff Trucks must have a 4 or 5 point harness, unless otherwise approved by Performance Promotions Ltd official . Harness must be properly mounted.
5. Drive shaft loops are highly recommended, especially when factory tank is being used.
6. Drivers door window nets are highly recommended. All nets must be of 1" ribbon type webbing. They must be securely fastened at the top and must have a quick release latch at the bottom. Minimum 3/8" full-length steel support rods are acceptable fastening devices for the bottom of the net. The top may be fastened at the end with a seat belt type fastener. Web openings should be of a two inch maximum.
7. All vehicles will have a "start" safety device (ie.: neutral safety switch, clutch switch).
8. All vehicles must have operable forward and reverse.
9. All vehicles must have a full 2 ½ lb. ABC fire extinguisher with a gauge in working order mounted in a bracket within the driver's reach. No taped, tied or wired mounts.
10. If the roof or body are fiberglass or if the vehicle does not have a hard top, it must have roll cage with a minimum of six mounting points with four of the six welded directly to the steel frame. Fiberglass body to have a roll cage and appropriate driver restraints.
11. All Tuff Trucks must have a roll bar with minimum 4 points to the frame. If the doors or factory windshield are removed, or if vehicle is a half cab or soft top a 6 point cage will be required. Contact Performance Promotions Ltd if you have questions or wish to discuss your options.
12. Driver's head must not protrude above the cage with helmet on and strapped into seat. Cage must be securely supported and braced.
13. All seats must be properly mounted and securely attached to the vehicle. Fiberglass bodied vehicles must have seats attached to the frame.
14. Two inch padding is recommended on all roll cages within 18" of driver's helmet area above his shoulder. It is recommended that the padding be fireproof material.

15. All seat belt anchors must have a minimum of 3/8" steel bolts, grade 8 or better, with 2 1/2" washer or equivalent on both sides of the anchor surface and locking type nut. All eye bolts must be one piece construction grade 8 or better; no welded closures permitted.
16. Jerry-rigged harness or lap belts will not be accepted.
17. Fiberglass bodied vehicles must have seat belts anchored to the frame.
18. All open vehicles are required to have a 4 point harness minimum.
19. Shoulder harness anchors must not be mounted above the driver's shoulder height.
20. Any vehicle not using stock gas tank in original position must have approved fuel cell or equivalent attached in a secure position. All fuel cells must have anti-spill valves. Boat style tanks will be accepted as a fuel cell equivalent, but must have adequate caps and anti-spill valves.
21. All engines, no matter location, must have complete firewalls between driver and engine.
22. All batteries must be securely anchored. If not in stock position, they must be covered in non-conductive material. No battery can be taped or tied with wire/bungie straps.
23. All water hoses passing through driver's compartment must be shielded.
24. No fuel lines in driver's compartment. Fuel pumps and cool cans not permitted in driver's compartment.
25. Radiators not in stock position must be securely mounted in bed of truck and are limited to electric fans only.
26. Nitrous Oxide or similar type fuel additives are allowed. All safety items associated with this must be cleared by Performance Promotions Ltd staff officials for entry.
27. Supercharges or turbo charges are allowed. All safety items associated with this must be cleared by Performance Promotions Ltd staff officials for entry.

WHEELS AND TIRES

Pretty much anything goes but all entries subject to Performance Promotions Ltd safety inspection.

1. Unless maintained as an original DOT tread design, vulcanization is not allowed.
2. No snap-on hubcaps or wheel covers of any type will be allowed.
3. All lug nuts must be in place and must show through.

CHASSIS/BODY STYLES

Pretty much anything goes but all entries subject to Performance Promotions Ltd safety inspection.

1. Tube frame chassis are now allowed, but must pass Performance Promotions Ltd. Inspections.
2. All metal and/or fiberglass hoods must be securely mounted to vehicle. Vehicles damaged during racing will be reviewed on a case-by-case basis.
3. Floorboards shall be rigid and complete.

SUSPENSION

Pretty much anything goes but all entries subject to Performance Promotions Ltd safety inspection.

1. Four link suspension allowed , but must pass Performance Promotions Ltd inspection
2. Coil-over shocks are allowed
3. Multiple shock kits are allowed.
4. Shock mounting points may be redesigned, strengthened and/or modified.

BRAKES/STEERING

1. No manually operated bias control, hydraulic staging or steering brakes on any wheel.
2. All four wheels must have at least ½ pedal on the first depression of the brake pedal.
3. Braking system will undergo visual inspection by Technical Inspector to determine safety and reliability.
4. All Tuff Trucks must have good working brakes on all four wheels.
5. Front wheel steering only.

VARIANCE IN VEHICLE RULES FROM THOSE LISTED WILL BE DEALT WITH ON A CASE-BY-CASE BASIS.

In signing this form, I agree to abide by all rules and regulations governing the particular class for which I am competing in.
